4. ON THE TILES

Supplier: Trend GB
Price: from £275 per square metre
Tel: 01892 509690
 Inject colour and texture into a space with Trend GB's Metropolos collection of handcrafted mosaics. They're completely frost proof, crafted in Italy from 75 per cent recycled glass and ideal for transforming walls and terraces. The collection is formed of eight beautiful colours, and every tile is different for a natural, hand-finished look. Tiles are provided in 30cm sheets, so are quick and simple to install.

5. MODULAR STYLE

Supplier: Basket SRL for Bloss
Price: from £180
Tel: 020 8938 3385

Create a bespoke container garden with the Bloss Planter System. Constructed from stainless steel, and with more than 1,000 different modules, the design possibilities are virtually endless. The system is ideal for wrapping around buildings and many modules have rounded corners for a sleek, high-design finish. There are also more than 50 colours to choose from, giving this range real versatility.

6. VINTAGE WAY

Supplier: Hen & Hammock
Price: £28
Tel: 01844 217060

Bring the finishing touches to a vegetable garden or potager with these traditional cloches. They're just the things for completing a country look, while also being useful for protecting young plants during chilly weather. Also use them to cover containers on a balcony. Hen & Hammock is a great source of sustainable garden products, so check them out if you have a client with an environment-conscious outlook.
